## WHERE IS THE SCHOLARSHIP PROGRAM HELD?

Hot Mix Asphalt Training & Certification Center, Buda, TX

## WHEN DOES IT TAKE PLACE?

June 10-21, 2024

### FREE TRAINING & CERTIFICATION

You will be trained in three levels in which you'll be immediately employable upon passing your exams and receiving your certifications.\*

#### Level 1A Certification: Plant Specialist

Inspect and test asphalt materials at the plant before they get put on the road.

#### Level 1B Certification: Roadway Specialist

Test asphalt mixes on the roadway to make sure the quality meets standards.

#### SB102 Certification: Field Specialist

Inspect, sample, and test base materials on the roadway.

*\*You must pass your exams in order to be certified.*

2023 PROGRAM
